On-call is fine - Google Maps and MapQuest say it is just under 1 1/2 hours drive from Amherst to Pittsfield, and maybe another 15 minutes max for me to put my samples away and change clothes, so keep that in mind. Also, if the case is resolved prior to trial, would you mind letting me know that as well? The number at the lab is 413-545-2607. Thanks.

Sonja,

Thanks for the email. Based on what I can gather about the case for tomorrow, there is a chance it could be resolved without a trial. Would it be alright to have you on-call? Worst case scenario, if it actually goes to trial, I can call you and then pick a jury and put on the other witnesses during your travel time. Is that something that works for you? Let me know.

Thanks,  
Bob

Hi Bob-

I just wanted to let you know that I received a reminder summons last week for the [REDACTED] case scheduled for trial on Sept. 30 --- should I assume that nothing has changed with the case and that I am definitely needed in Pittsfield by about 9am? (I have no problem with that) Thanks.
